An Act to Establish and endow An Agricultural College in the State of Maryland.

Whereas it hath been represented to the Legislature, That certain wise and virtuous Citizens are desirous of instituting and establishing in some convenient locality within this State An Agricultural College and Model Farm, in which the youthful student may especially be instructed, in those Arts and Sciences indispensable, to successful Agricultural pursuits, And whereas it doth appear to this Legislature that while the wise and learned in the present age have cultivated with laudable industry and applied with admirable success the Arts and Sciences to other pursuits the most necessary useful and honorable pursuits of Agriculturists have so far been most lamentably neglected.

And Whereas, it is the province and duty of the Legislature to encourage and aid the philanthropic and patriotic citizens in their efforts to disseminate useful Knowledge by establishing An Agricultural College and Model Farm, which shall in addition to the usual course of Scholastic learning particularly indoctrinate the youth of Maryland theoretically and practically in those arts and Sciences which with good Manners and Morals shall enable them to subdue the Earth and elevate the State to the lofty position its advantages in soil Climate &c And the Moral and Mental Capacities of its Citizens entitles it to attain, Therefore,
